Dear Caregivers:

As you are aware, right now the world is on high alert dealing with the spread of the Corona Virus. Please rest assured that at the Brevard Alzheimer's Foundation we are closely monitoring the situation. Our facilities are receiving daily deep cleaning and sanitizing to help prevent the spread of any types of viruses. Also, if your loved one is experiencing any flu like symptoms such as a fever, please do not send them into the club. If you do, you will be asked to come and pick your loved one up from the center. Together we can all do our part to help prevent the spread of viruses this flu season.

Signed:

Timothy V. Timmermann, Jr.
Executive Director
