Acknowledgement of Transportation Policy

The following policies are designed to ensure our passengers receive the best service in the safest possible manner, and include the responsibility of both the driver and Caregiver.

 - 2) Drop Off: Assisting in the unloading process and taking the passenger to the residence.

 - It is BAFI's policy that if a passenger uses a cane, walker or wheelchair, or if there are any other concerns for the safety of the passenger on the stairs of the van, a wheelchair lift SHALL be used.
 - 1) For the safety of all concerned, a van driver operating a wheelchair lift shall remain on the ground while the lift is being raised or lowered and must stay at the van at all times. CAREGIVER / CNAs are responsible to bring the client onto and off the van at home/facility. The Brevard County Special Needs Program is a space-limited program for which people with specific health and medical conditions can register, providing sheltering and transportation with the resources available in Brevard County.

The Special Needs Registry is a confidential listing of those people who meet program criteria, and is updated on an annual basis. Patients with colostomy assistance needs, nebulizers, oxygen, feeding tubes, or Alzheimer's disease are examples of medical criteria that are eligible for the registry.

While the Office of Emergency Management recommends sheltering with friends or family members, public shelters are available for those who do not have other alternatives.

Individuals who elect to use a Special Needs or other public shelter should bring with them items such as cots, bedding, medicine, medical supplies, and food supplies, preparing to be self-sufficient for 72 hours. The community pages of the telephone book provide lists of recommended items to take to a shelter. Special Needs registrants should also be accompanied by at least one caregiver.

Most shelters are located in public schools, and offer neither privacy nor luxuries. Occupants' comfort will be determined by their preparedness.

The Special Needs registration request form can be found on-line at: <http://web.brevardcounty.us/specialneeds/registration.aspx> or for more information call (321) 637-6670.

Dear Families,

We pride ourselves in being able to provide families with quality care at a low cost. As you are aware, lunch and a snack are included in both our half-day and full-days programs. We are able to offer this to our families by participating in the Florida State Adult Food Program.

The food program allows us to submit a monthly census report and reimburses us for a portion of the meals. Reimbursement varies on the category club members are eligible for. These include: Free, Reduced and Non-Needy. For those meals that are categorized as free/non-needy we are reimbursed at a higher rate. The money that we are reimbursed goes right back into providing for our members. You will be given this form to complete annually.

We ask that you please take a moment to complete this form. Please be aware, it does ask for you to provide income information. While we do have an annual audit for the food program, the financial information provided remains confidential and you will not be asked to provide verification of income. We are aware that finances are a private subject so do respect that some will not want to provide this information. In the event that you do, please sign the form and write DECLINED.

For those of our members that are receiving state/organizational funding assistance, this form must be completed in its entirety.

Should you have any questions or concerns regarding the completion of this form, please feel free to give us a call.
